

Airline Park Academy

Fifth Grade

Summer Reading

Students entering the Fifth Grade are encouraged to read this summer. They will be required to read TWO books and will have assignments for those books on their return to school. We would like them to read more than what is required.

All students are required to read:

The Great Gilly Hopkins by Katherine Paterson

AND

Wonder by R. J. Palacio

Read these books carefully. There will be a **test** on both books at the beginning of your Fifth Grade year.
