Jefferson Parish Library Online @ www.jefferson.lib.la.us offers a number of databases for health science students' research. A JPL library card provides remote and in-library access. Go to **ONLINE DATABASES** on the horizontal bar menu at the top of the homepage.

Subscription Databases for Health Science on the Jefferson Parish Library Website

The databases listed below are found in the EBSCOhost collection and provide fulltext journal articles. All should be included in any academic health subject search. To retrieve *fulltext academic journals only* check the “peer-reviewed” and “fulltext” boxes on the search page.

MasterFILE Premier

Although described online as a public library and general interest database, MasterFILE, similar to Academic Search Complete, includes academic health journals and should be included in an academic health subject search.

Academic Search Complete

This multi-disciplinary database provides full text for nearly 8500 journals, including full text for more than 7300 peer-reviewed(academic) titles. *Academic Search Complete* is updated on a daily basis via EBSCOhost.

Although not presented as a medical journal database, ASC has a variety of fulltext medical journals including Critical Care Nurse, Emergency Nurse, Journal of Nursing research, Practice Nurse, Nursing Management, Nursing Standard, Paediatric Nursing, Nursing Older People, Clinical Journal of Oncology Nursing, AANA(American Assn of Nurse Anesthetists Journal), Mental Health Practice, etc.

Fulltext Journals in Ebsco related to **respiratory medicine:**

Respiratory Medicine, Lung, Journal of Asthma, Experimental Lung Research, Journal of Pulmonary Medicine

Fulltext journals in Ebsco related to **X-ray technology:** ***Journal of X-Ray Science and Technology, Canadian Association of Radiologists, Biomedical Safety and Standards***

Alt HealthWatch

Alternative Health Watch is a database of academic and general interest resources on holistic and integrated approaches to medicine. Fulltext from 1990. In addition to fulltext journal articles the database includes book excerpts, special reports, pamphlets and booklets.

CINAHL

CINAHL is the authoritative fulltext resource for nursing and allied health professionals, students, educators and researchers. This database provides indexing for more than 3,000 journals from the fields of nursing and allied health. The database contains more than 2.3 million records dating back to 1981.

Health Source: Nursing/Academic Edition

This database provides nearly 550 scholarly full text journals focusing on many medical disciplines. *Health Source: Nursing/Academic Edition* also features the *Lexi-PAL Drug Guide* with patient education sheets for 1300 generic drugs (4700 brand names). *Lexi-PAL (Patient Advisory Leaflets) Drug Guide* is published by www.biomedcentral.com which is an open access health information source which publishes over 219 open access peer-reviewed journals. Lexi-PAL includes Spanish language leaflets.

MedicLatina

MedicLatina is a collection of medical research journals from Latin American and Spanish publishers. Full-text for 130 peer-reviewed journals in Spanish.

MEDLINE

MEDLINE provides authoritative medical information on medicine, nursing, dentistry, veterinary medicine, the health care system, pre-clinical sciences, and much more. Created by the National Library of Medicine, *MEDLINE* uses MeSH (Medical Subject Headings) indexing with tree, tree hierarchy, subheadings and explosion capabilities to search citations from over 4,800 current biomedical journals. Included are citations from *Index Medicus*, *International Nursing Index*, *Index to Dental Literature*, *HISTLINE*, *SPACELINE*, *PREMEDLINE*, *AIDSLINE*, *BIOETHICSLINE*, and *HealthSTAR*. *Medline includes fulltext.*

Psychology and Behavioral Sciences Collection

Although not described as a medical database, this collection includes fulltext medical journal literature and should be included in any health topic search.

SPORTDiscus

A fulltext sports information source which includes fulltext academic sports medicine journals.

For Delgado and Charity students: all of the above databases are available on Delgado's website at www.dcc.edu on the library link and on Blackboard.
